

TECHNICAL INFORMATION

ORIGEN MRO SC5 Concrete Mould Release Oil

DESCRIPTION

ORIGEN MRO SC5 is a neat mineral oil-based mould release oil suitable for use in a wide range of precast concrete applications such as moulding, form work and shuttering. The neat thin film of oil prevents blow holes and assists with a smooth consistent finish and prevents buildup of concrete in the moulds.

BENEFITS

- **ORIGEN MRO SC5** forms a soapy layer during curing enabling easy release of mould.
- The soapy layer is easily washed off with water leaving a clean, smooth concrete surface.

APPLICATION

ORIGEN MRO SC5 is applied to moulds, shuttering or other types of form work by brush or spray.
